Intro: C# F# (x2)

Verse 1

C# F# C# F#
Give me words when there are none, To describe what you have done,
Bbm F#
To breathe your name, To give you praise,
C# F# C# F#
Break my heart for things unseen, To know that love would die for me,
Bbm F#
To know your ways, To know your name,

Pre-Chorus

Bbm G#m F#
There's no place I can run to be far from you,
Bbm G#m F#
There's no place I can go to escape your love,

Chorus:

C# F#
High above the mountain peaks, down below the deepest seas,
Bbm F#
I know you're there, oh I know you're there,
C# F#
In the lost and broken down, when the pain and hurt surround,
Bbm G#m
Even there your hand will guide me,
F# C#
Even there your hand will guide me, guide me home

Verse 2

Break down the walls between, the space i've built from you to me,
I know you're there, I know you're there,
And when the world has all intent, to convince this heart you're dead,
Destroy these lies, and be my eyes,

Pre-Chorus 2

Bbm G#m F#
'Cause there's no place I can go to escape your love,
