Key-Eb

Intro: Eb

Verse 1

 Eb G# Eb
There is a God, There is a king,
 Cm G# Eb
There is a love that is taking over me,
 Eb G# Eb
There is a place, deep in my veins,
 Cm G# Eb
Where sin meets hope and your endless grace remains,

Pre-Chorus

 Cm G# Eb
And your voice controls the beating of my heart,
 Cm G# Eb
While your hands they mold the shining of the stars,
 Cm G# Eb Bb
and the mountains know your face and call you king,
 Cm G# Eb
while you mold my love and breathe your life in me,

Chorus 1:

 G# Eb Cm Bb
Now that I'm free my soul can breathe, Now that i'm loved my heart it sings,
 G# Eb Bb
I can be bold because I know your love is strong,

Chorus 2: (same chords as Chorus 1)

Now your embrace is all I know, Now in the dark, your light it shows,
I can rejoice because I know my chains are gone,

Verse 2

Fear is dead, no longer alive
these nails they hold, oh they hold your love inside,
But where truth lives, I am alive,
With a God who gave his life for mine,
